¹ Although all permanent staff appointments to LCC are recorded [Register of appointments to the permanent staff, Reference Code: LCC/CL/ESTAB/01/147, 148] including those for machine operatives, night porters, librarians, machine operators, carpenters and even drain flushers, there is no record of a tea lady or other serving/catering staff in permanent employment at LCC. This may be due to the requirement that employees had 2 years' service before being taken under permanent employment contract, or that they were outsourced through another department. In lieu of a distinct identity, therefore, that of **Miss Catherine Robertson Ross**, born 16.08.13, was employed by LCC as school meals organiser on 27 January 1953 and declared fit for service on 20.01.56: Register of appointments to the permanent staff [Ref LCC/CL/ESTAB/01/147 + 8] has been substituted. Mrs Jeanne Catherine Yolanda Wiseman 25.01.25 and Miss Martha Winifred Anderson, 25.04.11, employed 14/5 were in similar employment, whilst Mrs Lilian Grace Murphy, 15.08.91, employed 30.08.41 was a housekeeper.

Trolleys

A Kaymet trolley is a well designed piece of furniture as sound in construction as it is elegant in appearance. It comes from a large and lively family ranging from the two-tier individual table waggon to the four-tier model. Each model is available in the Kaymet choice of colours and finishes. In some the top tray is removable—in all the wheels give instant silent service, answering to the guidance of the lightest finger touch.

The KAYMET Range includes:

Cocktail Buffets • Trolleys • Champagne Buckets
Tea and Coffee Trays • Cocktail Sets • Ash Trays
Nesting Tables • Cigarette Caskets • Cake Stands
Grapefruit Cups • Fruit Bowls • Flower Vases, Etc.
