Wild Dress
Clothing & the natural world
Kate Fletcher

New writing on fashion and sustainability

In this collection of autobiographical writings, Kate Fletcher explores relationships between garments and human embeddedness in nature. Going beyond the idea that nature is a means to human ends, Wild Dress documents how we wear clothes in ways that add weight to and awareness of the natural world.

Includes fifteen colour photographs of Macclesfield Forest and the Goyt Valley in the Peak District and Garsdale in the Yorkshire Dales by Charlie Meecham.
