5.1. LIST OF PHOTOGRAPHS

The Cretan bindings of the fifteenth and Sixteenth century.

S. 165
Photo1. The left board outer face.
Photo2. The fore edge.
Photo3. From left to right: the left and the right board inner face.
Photo4. Detail of the tailband.
Photo5. The headband.
Photo6. Detail of the strap of the fastenings.

S. 375
Photo7. Detail of the tailband.
Photo8. The headband.
Photo9. The left board.
Photo10. The tail edge.
Photo11. The fore edge.
Photo12. Original parchment text leaf (right) and the later addition paper leaves (left).
Photo13. From left to right: the left and the right board inner face.

S. 663
Photo14. From left to right: the right board, the spine, and the left board.
Photo15. The fore edge.
Photo16. The head edge.
Photo17. The headband.

S. 968
Photo18. The right board inner.
Photo19. The right board outer face.
Photo20. The headband.
Photo21. The head edge.
Photo22. Back of the headband. The arrows indicate the knots for the fastening of the markers.

S. 1194
Photo23. From left to right: the left board outer face and the fore edge.
Photo24. The tail edge.
Photo25. The head edge.
Photo26. Vestige of the tailband.

S. 1234
Photo27. The head edge.
Photo28. The tailband.
Photo29. From left to right: the left board outer face and the fore edge.
Photo30. The tail edge.
Photo31. From left to right: the left and the right board inner face.
Photo32. Detail of the tailband seen from the back.

S. 1343
Photo33. From left to right: the right board, the spine, and the left board.
Photo34. From left to right: the left and the right board inner.
Photo35. Detail of the ends of the silk braided strap.
Photo36. Detail of the ends of the silk braided strap.
Photo37. The headband.

S. 2101
Photo38. The head edge.
Photo39. The tail edge.
Photo40. From left to right: the spine, the left board outer face, and the fore edge.
Photo41. Detail showing the burnishing of the paper.
Photo42. The headband.
Photo43. The headband seen from the back.
Photo44. From left to right: the left and the right board inner face.

S.A. 80
Photo45. From left to right: the spine, the left board, and the fore edge.
Photo46. The right board inner face.
The Antioch bindings

S. 30
- Photo49. The right board outer face.
- Photo50. The spine.
- Photo51. The head edge.
- Photo52. The fore edge.

S. 806
- Photo53. From left to right: the right board, the spine, and the left board.
- Photo54. The left and the right board inner face.
- Photo55. The headband.

S. 975
- Photo56. From left to right: the right board, the spine, and the left board.
- Photo57. The left and the right board inner face.
- Photo58. The headband.
- Photo59. The head edge.

S. 1991
- Photo60. From left to right: the left board, the spine, and the right board.
- Photo61. Detail showing the polished surface of the leather cover.
- Photo62. The left and the right board inner face.
- Photo63. The fore edge.
- Photo64. The head edge.
- Photo65. The tailband.
- Photo66. Detail of the tailband.
- Photo67. The headband.
- Photo68. The simple, three-colour string marker.
- Photo69. A leaf tab marker.

S.A. 89
- Photo70. From left to right: the right board, the spine, and the left board outer face.
- Photo71. The left and the right board inner face.
- Photo72. The fore edge.
- Photo73. The head edge.
- Photo74. The tailband.
- Photo75. The tailband seen from the back.

S.A. 170
- Photo76. From left to right: the right board, the spine, and the left board.
- Photo77. From left to right: the left and the right board inner face.
- Photo78. The headband.
- Photo79. The head edge.

S.A. 334
- Photo80. From left to right: the right board, the spine, and the left board.
- Photo81. From left to right: the left and the right board inner face.
- Photo82. Spine-fold repair on ff. 4v-5r.
- Photo83. The headband.

S.A. 340
- Photo84. From left to right: the right board, the spine, and the left board.
- Photo85. From left to right: the left and the right board inner face.

S.A. 409
- Photo86. From left to right: the right board, the spine, and the left board.
- Photo87. From left to right: the left and the right board inner face.

The Klimis bindings

S. 216
- Photo88. From left to right: the right board, the spine, and the left board.
The Giglio bindings

S. 27

Photo116. The head edge.
Photo117. The fore edge.
Photo118. From left to right: the left and the right board inner face.
Photo119. The tailband.

S. 46
Photo120. From left to right: the right board, the spine, and the left board.
Photo121. The fore edge.
Photo122. The tail edge.
Photo123. The tailband.
Photo124. The headband.

S. 61
Photo125. From left to right: the right board, the spine, and the left board.
Photo126. From left to right: the left and the right board inner face.
Photo127. The headband.

S. 175
Photo128. From left to right: the left and the right board inner face.
Photo129. The tailband.
Photo130. Detail of the headband with the primary marker.
Photo131. The left board outer face.
Photo132. The head edge.

S. 361
Photo133. Binder’s note on the right flyleaf.
Photo134. Detail of the headband with marker.
Photo135. Repair of the text-block.
Photo136. Detail of the secondary marker.
Photo 137. The tailband.
Photo 138. From left to right: the left board inner and the left board outer face.

S. 408

Photo 139. From left to right: the right board, the spine, and the left board.
Photo 140. The fore edge.
Photo 141. The head edge.
Photo 142. The right board inner face.
Photo 143. The headband with marker.

S. 448

Photo 144. The right board inner with rebinding note.
Photo 145. The right board, the tail and the fore edge.

S. 500

Photo 146. The tailband.
Photo 147. The headband.
Photo 148. Detail of the fore edge of the board.
Photo 149. Binder's note on the right flyleaf.
Photo 150. The head edge with the words 'Month November' written in Greek.
Photo 151. The left board inner face.
Photo 152. The spine and the left board outer face.
Photo 153. Parchment document used as endleaf on the left end of the text-block.
Photo 154. The right board inner face.

S. 520

Photo 155. From left to right: the right board, the spine, and the left board.
Photo 156. The head edge.
Photo 157. The tailband.

S. 573

Photo 158. Binder's note on the left flyleaf.
Photo 159. From left to right: the right board outer face and the right board inner face.
Photo 160. The headband.
Photo 161. The tailband.
Photo 162. Detail of the leather cover edge extension on the left board.

S. 585

Photo 163. Binder's note on the left flyleaf.
Photo 164. From left to right: the left and the right board inner face.
Photo 165. Detail of the tailband.
Photo 166. The headband.
Photo 167. From left to right: the fore edge and the right board outer face.

S. 605

Photo 168. Binder's note on the left flyleaf.
Photo 169. The left board outer face.
Photo 170. The strap of the fastening.
Photo 171. Detail of the headband with marker.
Photo 172. The tailband.
Photo 173. The fore edge.
Photo 174. From left to right: the left and the right board inner face.

S. 615

Photo 175. From left to right: the right board, the spine, and the left board.
Photo 176. The fore edge.
Photo 177. The head edge.
Photo 178. The headband.
Photo 179. The tailband.

S. 747

Photo 180. From left to right: the right board and the spine.
Photo 181. From left to right: the left and the right board inner face.
Photo 182. The fore edge.
Photo 183. Detail of the headband with primary marker.
Photo 184. The headband.
Photo 185. The tailband.
Photo 186. The strap of the fastening.

S. 763
Photo 187. Binder's note on f. 293r.
Photo 188. From left to right: the right board, the spine, and the left board.
Photo 189. The tail edge.
Photo 190. Repair on f. 52v.
Photo 191. The right board inner face.
Photo 192. The headband.

S. 804

Photo 193. Binder's note on left flyleaf v.
Photo 194. From left to right: the right board, the spine, and the left board.
Photo 195. The tailband.
Photo 196. The tail edge.

S. 1048

Photo 197. From left to right: the right board, the spine, and the left board.
Photo 198. The secondary marker with a tuft at the end.
Photo 199. The right board inner face.
Photo 200. The headband with marker.
Photo 201. The endband leather core lacing through the board.

S. 1159

Photo 202. From left to right: the right and the left board outer face.
Photo 203. From left to right: the right and the left board inner face.
Photo 204. Detail of the left board attachment.
Photo 205. The headband.
Photo 206. The fore edge.
Photo 207. The tail edge.
Photo 208. The head edge.

S. 1171

Photo 209. From left to right: the right board and the spine.
Photo 210. From left to right: the left and the right board inner face.
Photo 211. Binder's note on the flyleaf.
Photo 212. The head edge.
Photo 213. Detail of the catch plate of the fastening.
Photo 214. Detail of the strap of the fastening.
Photo 215. The tailband.
Photo 216. The headband with marker.

S. 1976

Photo 217. From left to right: the right board, the spine, and the left board outer face.
Photo 218. The left and the right board inner face.
Photo 219. The headband.

S.A. 61

Photo 220. The left board outer face.
Photo 221. Detail of the fastening.
Photo 222. The headband.

S.A. 270

Photo 223. From left to right: the right board, the spine, and the left board.
Photo 224. The headband.
Photo 225. The head edge.
Photo 226. loasaph's signature on f. 469r. with the date 1639.

S.A. 325

Photo 227. The headband with string marker.
Photo 228. The left board outer face.
Photo 229. The right board inner.
Photo 230. Detail of the headband showing the cores extending onto the board underneath the cover.

S.A. 337

Photo 231. The left board with the fore edge flap outer face.
Photo 232. The left board with the fore edge flap inner face.
Photo 233. Perspective view showing the right board with the fore edge flap.
Photo 234. The tailband.

S.A. 423

Photo 235. From left to right: the right board, the spine, and the left board.
