Anne-Marie Creamer

Artists' Directory is included in the print Aesthetica. To view August / September selection, pick up a copy of Issue 120.

[Click for more](#)

The entanglement of narrative and place is at the core of Anne-Marie Creamer's multi-disciplinary approach, in which digital film, fiction, drawing and staged scenarios are all employed in order to generate cinematic and theatrical forms. A combination of meticulous research and chance occurrence generates occluded narratives, which are both wry and melancholic.

Treatment for Six Characters, 2014. Video projection. Dimensions variable.
