

CHARLOTTE HODES Conversations en plein air

Musée Ariana, 3rd November 2023–05th May 2024

PRESS RELEASE

Geneva, 18th October 2023

The Musée Ariana is pleased to present *Charlotte Hodes. Conversations en plein air* from 3rd November 2023 to 5th May 2024 in our contemporary creations space. Charlotte Hodes, is an internationally exhibited artist, whose work bridges the fine and decorative arts.

Trained as a painter, Charlotte Hodes (UK, 1959) has used readymade ceramic ware as an alternative canvas since the 1990s. She carries over collage and printing processes to the field of ceramics, nourished by her study of the Spode factory's archive of historic transfers in Stoke-on-Trent.

With *Conversations en plein air*, Charlotte Hodes proposes a playful analogy between French 18th century *Fêtes galantes* paintings and the outdoor social gatherings experienced during the COVID-19 pandemic. Her hallmark female figures call to each other across media, creating open narrative sequences in richly-patterned environments.

A new serie of vases, paper frieze and large-scale tableware installation draw us into the conversation as we sit together on the picnic blanket.
