

CAN YOU HELP?

Harewood House Trust is an educational charity committed to promoting social justice. Our friends at **Rainbow Junktion**, who have contributed to this event, are on a mission to fight food poverty and build community. They are open as a Community Café and Foodshare, with around 500 people per week using their services.

Rainbow Junktion works with around 75 regular volunteers who make their service possible, but with increasing pressures from the cost of living crisis, additional support will always be welcome.

If you would like to play your part in helping to tackle food poverty in Leeds, here's how you can help...

- + Give a one-off donation, or become a Friend of Rainbow Junktion, as a regular financial supporter.
- + Donate food and other supplies to All Hallows' Church, 24 Regent Terrace, LS6 1NP, between 10am-4pm on Mondays, Thursdays + Fridays.

For a full list of what you can donate, please follow the link below.

Rainbow Junktion's services are always non-referral, non-judgemental and open to absolutely everyone. Any help or support will be very gratefully received, thank you.

Rainbow Junktion is based at All Hallows Church, 24 Regent Terrace, Leeds, LS6 1NP. Registered charity 1184558 @rainbowjunktion

Your menu today has been cooked and served by the students and staff from Leeds City College, Department of Travel, Food + Drink.

THANK YOU

The Big Harewood Garden Party and Lucy + Jorge Orta's The Meal Act XLV would not have been possible without the generous support of **Leeds 2023** and **National Lottery Heritage Fund**.

We would like to thank the **Community Groups across Leeds** who have so willingly shared their time and stories around food, seeds and growing, which in turn have contributed so significantly to the shaping of this event, the conversations and the artworks created.

With thanks to **Leeds City College** and their brilliant students and staff, who have devised, cooked and served the meal you are eating today. The college's Food and Drink department offers Hospitality courses to students from a wide variety of backgrounds, providing a foundation of skills to start students on their professional journey in the hospitality industry. Find out more @lcc_travelfooddrink.

Thanks to artists Ameya Pisupati, Xia Hooper-Ainsworth, Helen John, Phillipa Tuffin, Isabella Jones, Hannah Robson + Anna Douglas from the **University of Leeds**, for their designs of the napkins created for The Meal, in conversation with Lucy Orta. @universityofleeds.

With thanks to the **volunteers** from **Leeds 2023**, the **University of Leeds + Harewood House Trust** for their hard work and support in helping to deliver this event.

And finally, a big thank you to **Lucy + Jorge Orta**, for bringing The Meal Act XLV to Harewood, for its 45th iteration, as part of Leeds 2023 Year of Culture.
