EARTH Arts and Humanities Workshop

Thursday 2nd December 2021 17:00 – 18:30 DST (online)

Painting: Henrietta Simson

You are warmly invited to join us for an online workshop exploring and connecting environmental arts and humanities at the University of Exeter and beyond. This event will feature 10 minute research introductions from three speakers, before an open discussion about the current and future contribution of arts and humanities research on issues of extraction and extractivism.

Participants:

Dr Natalie Pollard (Contemporary Literature)

Dr Henrietta Simson (Artist)

Dr. John Clarke (Creative Writing)

Chair: Nicola Whyte (History)
