

KIMATHI DONKOR

ART PROJECTS P08

WWW.KIMATHIDONKOR.NET

'Daddy, I want to be a black artist' invites you to explore the suggestion and sense of trepidation and intrigue about the relationship between the politics of race and perceptions of exclusion and mystique in the contemporary art world.

**24 September
– 24 November 2013**

Artist

Kimathi Donkor

Kimathi Donkor's meticulously crafted compositions draw on antique traditions of portraiture and history painting to represent dramatic modern themes – with subjects ranging from urban conflict in London to the adventures of Ghana's anti-colonial heroine, Yaa Asantewaa.
