THE STUDIO

The Magic touch of Linley Sambourne

Here is a masterly example of work executed with JOSEPH GILLOTT'S Drawing Pens. It reveals all Linley Sambourne's command of line and tone, and that wizardry of light and shade that always lends distinction to any one of his compositions. The example reproduced herewith, owing to mechanical difficulties incidental to every letterpress reproduction, loses much charm and force. But it is a wonderful tribute to GILLOTT'S Pens—now so invariably the choice of artists the world over. Sold by Artists' Colourmen, Stationers, etc., everywhere. The popular 659 Crow Quill is supplied on cards, 12 Pens and holder, for 2/-. Post free from address below if unobtainable locally.

LINE
OF
LEAST RESISTANCE

The pen must grow out of the artist's hand, taking his direction with the obedience of a guardian and the grace of a premiere danseuse. Once a pen expresses its own personality it is doomed! It should grow old and tired imperceptibly and be discarded reluctantly. It has to be a Gillott pen—every time and all the time.
