## RelationTips 2

WE'D RATHER  
FUCK  
THAN  
WATCH T.V.

The thought of forever used to freak me out, but now I don't think about it. I take it one day at a time and try to make each day as good as I can.

I can't change him. He's stopped leaving dishes in the sink, but he's still a stay-at-home type and I'll never turn him into a party animal. You've got to enjoy him the way he is or move on.

He assumed we were both HIV negative, but I've taken risks in the past. I'd want to test before we stopped using condoms and even then I'm not sure if we should. We want to be monogamous but I know I'd find it hard to tell him if I did slip up and I don't want to put him at any risk.
